The names of 5-member Search Committee will be circulated to the EC members by email for their approval. This Search Committee will take effect immediately after this approval of the EC by email is granted. They will rotate with the senior most (as decided by the EC) retiring each year and replaced by another member (also to be decided by the EC).

- ii. The Search Committee will announce the recipient of Prof. A Indrayan Travel Grant at least 2 months in advance so that the chosen person can be informed to plan his/her participation in the upcoming conference with the funding of this Grant.

(Action: President to initiate the formation of the Search Committee)

Regarding taking approval of such matters by email, a suggestion came that this be done by sending the hard copies by postal mails.
