

INDIAN SOCIETY FOR MEDICAL STATISTICS
PROF. K.R. SUNDARAM YOUNG RESEARCH SCHOLAR AWARD FOR EXCELLENCE IN
MEDICAL STATISTICS

This award is being proposed from the year 2013 by the family of Prof.KR Sundaram in honour of his significant contributions to the discipline of Biostatistics.

The candidate for the award **should be a postgraduate** with good academic record with substantial interest in any discipline related to Statistics, Demography, Medicine and Public health with a record of publications of derivation of new statistical methods/extensions of current methods/applications of statistics in medicine and public health and must be studying/ working in India.

Nature of the award

The selected candidate will be given a scroll of honour and a cash prize of nearly Rs 15000/- which is approximately the annual interest on a corpus fund of Rs 200,000. The award will be presented during the annual conference of ISMS.

Submission of entries for the award

Announcement inviting entries for the award will be made by the General Secretary of the Society. The candidate should be aged below **35 years** on the 31st March of the year of award and should be a member of the Society at the time of applying. The candidate should submit the brief summary of his/her bio-data with details of research publications to the General secretary with a recommendation letter from the mentor/guide by email before the stipulated time.

Criteria for assessment for award

Selection of the awardee will be made by the awards committee of the ISMS every year. The name of the selected candidate will be announced during a General Body Meeting. The decision of the awards committee would be final.
